New Evidence of Plot Discovered

Ireland on a certain date during the present month, ready to unload (word deleted) for a new Irish re-

statement issued to-night.

The German-Irish plot, this statement discloses, was planned to be materialized simultaneously with successful German offensive in the west, the object being to drain England of armed forces for the front in France, while at the same time compelling her to send farge contingents of troops to Ireland to combut an island-wide rebellion.

The plot's threads, it is now disclosed, are traceable back to the days immediately following the Dublin Easter rebellion.

President Grants Million Foreign-Born Persons Rights to Hold Big Celebration

WASHINGTON, May 24 .- Prestdent Wilson to-day gave hearty approval to the plan of 1,000,000 or more foreign-born persons in the United States to show their loyalty to the country by monster celebrations on Independence Day.

In a letter, which the President addressed to "Our Citizens of Foreign Extraction," he says:

"I have read with great sympathy representative bodies regarding your proposed cetebration of Indeo you, in reply, my heartfelt appreciation for its expressions of laywar has been more gratifying than the manner in which our foreignand daughters of the toreign born have risen to this greatest of all national emergencies. You have shown where you stand, not only by your frequent professions of loyalty to the cause which we fight, but by your eager response to calls for patriotic service, including the supreme service of offering life itself in battle for justice, treedom and democracy. Before such devotion as you have shown, all distinctions of citizens in a republic of free spirits "I, therefore, take pleasure in

hearty commendation, to the atten tion of all my fellow-countrymen and I ask that they unite with you in making the Independence Day of this, the year when all the principles to which we stand pledged are on trial, the most significant in our national history. "As July 4, 1776, was the dawn of

the democracy for this nation, let

es, on July 4, 1918, celebrate the

birth of a new and greater spirit of democracy, by whose influence we hope and believe, what the signers of the Declaration of Independence dreamed of for themselves and their fellow-countrymen, shall be fulfilled for all mankind. "I have asked the committee on
